*Humanistica Lovaniensia: Journal of Neo-Latin Studies*, published annually, is the leading journal in the field of medieval, Renaissance, and modern Latin.

As well as presenting articles on Neo-Latin topics, the journal is a major source for critical editions of Neo-Latin texts with translations and commentaries. Its systematic bibliography of Neo-Latin studies (Instrumentum bibliographicum Neolatinum), accompanied by critical notes, is the standard annual bibliography of publications in the field. The journal is fully indexed (names, mss., Neo-Latin neologisms).

The volumes published before 2000 are now free available online. You can find them in the menu 'eBooks'.
